

We look forward to seeing all of you on March 16-18, 2012 in DeKalb County. Hotel rooms have been set aside to accommodate your swim teams. **Please call to reconfirm your room reservations as soon as your team or swimmer qualifies.** The Kishwaukee YMCA has been kind enough to provide us with a list of team names, which should enable our hotels to work together to accommodate rooming requests. Reservations should be made under your respective team name. Just tell the front desk that you are coming in for the IL/MO Swim Meet. **All reservations must be reconfirmed no later than March 7, 2012 or the rooms will be released to accommodate other guests.**

**We wish all of your swimmers the best of luck!**
